Preaching the Old Book, the New Birth, the Precious Blood and the Blessed Hope

Dear Friends

It is with great pleasure that I offer this recommendation for the worship ministry **ONE CAME DOWN** – George & Pamela Meyer, with their son George Jr.

I have gotten to know the Meyers quite well over the past couple years, especially since I have been pastoring The Upper Room Bible Fellowship in Westtown, NY.

As a result of their having performed with several famous bands (*i.e. Meatloaf, Bob Seger, Blackberry Blues Band, etc*) prior to accepting the Lord Jesus Christ as their Savior, I could tell you of their professionalism, their mastery at singing, playing music and even at composing and songwriting. But as wonderful as all of that is, I do not find it to be as wonderful or as compelling as their love for God and their desire to touch the hearts of the lost and/or to edify the body of Christ. **ONE CAME DOWN** truly seeks to provide an environment of worship that prepares the heart to receive with meekness the engrafted word which is more than able to save and edify every mortal soul on planet Earth. I wholeheartedly encourage you to give them a call and schedule a meeting. You'll be glad you did!

May the Lord bless you all abundantly,
