

To Whom It May Concern:

I have the pleasure to present to you and to your ministry - the band, "*One Came Down.*" This band is led by, George and Pam Meyer - along with their son, George Jr. and additional talented musicians.

It has been my privilege to have known George and Pam Meyer for over six (6) years. Within those years I have witness their lives and their music flourish to an awesome, incredible ministry. Their past experiences in the professional music business has transformed to a music ministry that now glorifies God. Their ministry has blessed many within our congregation. We use, *One Came Down* regularly for worship services, outreaches and other events.

It is without reservation that I recommend, "*One Came Down.*" I wholeheartedly believe their ministry will be a blessing to your congregation, as they have been with ours.

Yours In Christ,

*Eddie Pinero*
